EUROPEAN DIRECTIVE 2011/65/EU (RoHS)

Dear Customers,

The Directive 2011/65/UE of the European Parliament and Council of June 8th 2011 provides restrictions to the use of specific substances in electric and electronic equipment.

Aircomp produces components designed for being assembled in machines or systems.

In case Aircomp products should fall within the scope of application of such Directive, we declare that, as of today, the possible presence of substances subject to restrictions as stated in the above mentioned Directive are included in the exemptions as per Enclosure III) (exemptions 6a, 6b and 6c).

Your sincerely
